Letter of Guarantee

Erie Meat Products Ltd. Est. 208A is a federally registered CFIA further processing facility. Erie Meat Products is a HACCP (January 12, 1999) recognized facility and operates in compliance with all CFIA and USDA requirements and is on the list of Canadian establishments eligible to export to the USA.

All of our suppliers of meat products also meet these requirements and letters of guarantee are on file.

Sanitation standard operating procedures are written and implemented as are the employee good manufacturing programs. The allergenic procedures are written and implemented for the facility to control for potential cross contamination.

For beef products produced at this facility the HACCP plan has been evaluated and is in compliance with CFIA policy regarding E.coli 0157:H7
